

FERRET STICK

PRODUCT INFORMATION

Ferret Tools is creating the future with new thinking and innovation in smart inspection camera technology for Trades & DIY to help build an easier and safer work environment.

For those of you that care about having the most reliable and durable tools with the latest smart technology to help work faster, easier and safer, inspect with a Ferret.

Introducing the all new Ferret Stick from Ferret Tools. The Ferret Stick has fully adjustable sections to fix your stick to any desired length and grooved design to keep your Ferret camera pointed in the right direction.

An ideal solution to enhance the functionality and multipurpose use of the Ferret camera. The Ferret Stick is made of high-quality materials. Tough rust resistant lightweight aluminium sections with a soft non-slip rubber handle. Durable and versatile.

It provides extended reach up to 55" (140cm) in length that allows you to see and reach where you can't. It has 1/4" 20UNC thread, which is compatible with all Ferret products. Work Safer. Work Smarter.

Warning: Do not use near live power!

INSPECT WITH THE FERRET - SMART TOOL. SMART CHOICE.
