SERVICE NOTES

- We are an authorized service center for Andis, Oster, and Shark Fin. We are an authorized distributor for Andis, Oster, Wahl, Babyliss, Geib, Collins, Latherking, Campbells, and much more. We carry most parts in stock for the clipper and trimmer brands we sell except Babyliss (no parts available). If we have to order parts, we will let you know what parts and an estimated time your service will be ready. Some blades may need new parts: tension springs, glide bars, sockets, and/or screws; these are not included in the sharpening fee. Heavily rusted blades are subject to a \$2.50 up-charge to remove rust. If you are sending in multiple items, please include a note on each item explaining any known issues and/or work to be performed. Feel free to add any special notes or instructions on the back of this form.
