

SleepyBaby® Nursery Lamp

INCLUDES SLEEP-ENHANCING SLEEPY BABY® P15 BULB

Looking for a better nights sleep for your child? Did you know that using conventional light bulbs in your child's bedroom can easily get in the way of a deep, restful sleep? It's time for a better solution. The Sleepy Baby® LED table lamp creates a soft, relaxing glow in your child's nursery and utilizes Lighting Science's patented spectrum technology P15 bulb, which was originally developed in collaboration with NASA to help support the circadian rhythms of the astronauts while working aboard the International Space Station. Now, that same technology that helped our astronauts feel better and sleep better in space is available to all of us, even the smallest of us, here on Earth, in a convenient nursery table lamp!

For Best Results: Use the SleepyBaby LED lamp for any illumination in the evening, especially before going to bed and during standard bedtime routines. Please turn off SleepyBaby before going to sleep, as the best sleep is always attained in a dark, cool room. SleepyBaby should be used if light is required during any nighttime activities, such as changings or feedings.

- **Start Your Baby Out Right:** Supports your baby in the development of healthy sleep-wake patterns right from the start
- **Patented Technology to Encourage Healthy Natural Sleep:** Proprietary light spectrum technology minimizes the types of light energy known to cause sleep disruption
- **High Quality Light At Night:** In addition to supporting sleep, the SleepyBaby light provides comfortable, warm light with high color rendering
- **Standard Medium Base:** Fits most nursery/household lamps

PRODUCT SPECIFICATIONS

SPECIFICATIONS ¹	LSH P15 25WE SLPB 120 SH BX	LSH P48 25WE SLPB ND E27 240 SH BX
Correlated Color Temperature	2100 K	2100 K
Output (Lumens)	176 lm	275 lm
Melanopic/Photopic Ratio (M/P)	0.28 +/-0.02	0.27 +/-0.02
Color Rendering Index	>85	>85
Equivalent Source Standard		40 WE
Input Voltage (V)	110-120 V	110-120 V
Power Consumption	4.5 W	4.5 W
Control	in-cord switch	N/A
Weight (lbs/g)	0.75 lbs / 342 g	0.07 lbs / 32 g
Product Dimensions (LxWxH in/mm)	4.72 x 4.72 x 7.72 in	1.9 x 1.9 x 3.5 in
Warranty	3 Year Limited	3 Year Limited
Certifications	ETL, RoHS, FCC	ETL, RoHS, FCC
