What do our customers say?

● TEM

This is a great product that solves a common problem my wife and I have encountered with our sunglasses

Reviewed in United States, December 20th 2020

Magnification strength 2.0 x

Great Product!

● Karl

Great Innovation!!

Reviewed in United States, January 26, 2021

Magnification strength 2.0 x

Great product a true lifesaver!! Clear clarity and optically sound. Was a little tricky aligning the lens perfectly but Sticktite referred me to an instructional video which made it a breeze. Would highly recommend to all my fellow visually impaired

● Emilio H.

Amazing Product

Reviewed in United States, November 4, 2018

Magnification strength 2.5 x

Amazing. I can stick it to whichever glasses I want to use. Very portable

● Iris Vega

They are very easy to paste on the sunglasses lenses

Reviewed in United States, December 20th 2020

Magnification strength 2.0 x

I haven't yet used them outside but it seems that they will work alright

● Amazon Customer

Cycling Eyewear

Reviewed in United States, February 7, 2021

Magnification strength 175 x

Perfect for cycling glasses – I can actually read my Garmin!

Why should you stock Sticktite Lenses?

With Sticktite in your store you can:

- **Build the basket:**
 - *Impulse purchase at the register*
 - *Cross-sell to sunglass buyers*
- **Convert browsers to buyers:**
 - *Without Sticktite, customers seeking reader sunglasses leave the store disappointed.*
 - *With Sticktite they buy more sunglasses!*
- **Effectively promote your high-end sunglasses assortment**

“Sticktite lenses are selling well and have definitely allowed me to increase sales of high-end, high margin sunglasses. It’s a great solution to a common problem – for both me and my customers”
