Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Limitation of Liability

WLmouse shall, in no event, be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive, or consequential damages arising in any way out of the distribution of, sale of, resale of, use of, or inability to use the product.

General

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (insofar as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms.

WLmouse reserves the right to amend any term at any time without notice.
