

COMPANY PROFILE

ABOUT US

We are a Kimberley based coffee Roastery which was established in 2016.

Bliss Coffee is a partnership of friends who share in the joy and passion of great coffee and beautiful food! Our blend of people, experience, passion and enjoyment of life creates a unique flavor and experience for those who appreciate the sweet nuances of life! Great joy; Perfect happiness!

THE TEAM

Our team is more like a family and consists of a group of vibrant young individuals from all genders and cultures that our beautiful country has to offer. They are all highly trained baristas and will always ensure you get the best cup of coffee.

Here at Bliss Coffee we believe that "Teamwork makes the dream work" and these guys dream big!

OUR — COFFEES

WE DO BULK

We offer bulk prices for orders of 10kg or more. We supply everyone from your local padstal, coffee shops or gift shops, to large retail outlets Nationwide. Some of our current retailers include SPAR and GWK.

PRIVATE LABELLING

Here at Bliss Coffee we don't mind your brand on our beans! Give your clients the perfect corporate gift with our help.

NEED EQUIPMENT?

Sanremo Coffee Machines

A mix of technology, design and something more: passion. Sanremo Coffee Machines are the product of an Italian family that looks out to the coffee world and knows no boundaries. From our company to coffee shops all over the world.

Apollo (Bean to Cup) Coffee Machines

As one of the super commercial flagship models, Apollo 12 comes with a noble and elegant appearance with a high efficiency output. The model meets the daily demand of corporate spaces of all sizes, VIP lounges, Guest Houses & convenient stores.

WMF (Bean to Cup) Coffee Machines

Freshly brewed - for true coffee lovers! Fine, fresh filter coffee. In order to achieve the full flavour of perfect filter coffee, not only is the quality of the coffee and water crucial, but the finely tuned interplay of the brewing temperature and brewing time are also important.

Bunn Commercial Filter Machines

BUNN is the single source for beverage-dispensing expertise in Equipment, Service and Digital Solutions. Our unique, holistic approach addresses the priorities and challenges of our customers to deliver solutions for efficient operation and maximum profits.

Cafetto Cleaning Range

Cafetto is the industry leader in effective organic and eco-friendly solutions, offering cleaning products to improve equipment performance and simplify cleaning processes. Through its extensive

TAKE A SIP!

**CAUSE THAT IS NOT ALL
WE HAVE TO OFFER!**
