

## American NH Coupling & Adaptors

NH couplings and adaptors are an American hose coupling system. This is a threaded system comprising of male and female halves and come in a range of thread connection sizes.

### OPTIONS:

Available with Hose Tails and BSP thread.

NH- 1½"                  NH- 2"                  NH- 2½"                  NH- 4"

### CAPS & PLUGS:

Caps and plugs are available to suit all NH connection sizes. Couplings, adaptors, caps and plugs available with pin lug or rocker lug options.

### SPANNERS:

A spanner to suit all NH sizes are available for connection of all couplings.

### MATERIALS:

- Aluminium
- Brass
- Gun Metal

NH Male (inch)	Hose Tail (mm)	Male BSP (inch)	Female BSP (inch)
1 ½	38	2	2
2 ½	38	2	2
	65	2 ½	2 ½
4	100	4	4

NH Female (inch)	Hose Tail (mm)	Male BSP (inch)	Female BSP (inch)
1 ½	38	2	2
2 ½	38	2	2
	65	2 ½	2 ½
4	100	4	4
