

Nunan & Stove Coupling & Adaptors

Nunan and Stove couplings and adaptors are a Russian coupling system with a two claw symmetrical hermaphrodite connection system used for delivery applications only. The connection size is determined by the DN size and it's internal lug measurement (ka).

OPTIONS:

Hose Tails and BSP threaded adaptors.

DN 1½"	DN 2"	DN 2½"	DN 3"
Ka 61	Ka 68	Ka84	Ka92

CAPS:

Caps are used to blank off a coupling and come with a keep chain. Available for all DN connections.

WASHERS:

NBR washers for all DN connection sizes.

MATERIALS:

Gun Metal
