RED BLEND

The intense body and hint of high-quality cocoa taste of the Red line is also available in 200g soft packs, both in ground and coffee beans.

FILTER COFFEE

The combination of a precise selection of Central American and Brazilian Arabica and a careful roasting process gives this blend a pleasant hint of toasted almond and raisin, which in the cup turns into an aromatic and sweet aftertaste.

Available in 192g pack.

DECAF

An excellent decaffeinated blend of Arabica from South America and Robusta from Asia for an espresso with a rich aroma, an intense and fruity flavour and a delicate acidity.

Available in 200g pack.

*"If I can't give you Italy,
I will give you the taste of it!"*
