Oak HDR Handrail

Transform your staircase with the Oak HDR Handrail, a stunning addition designed to enhance both form and function. The smooth ergonomic shape fits perfectly in your hand whilst simultaneously providing a unique look. Available in Unfinished or Finished options, it seamlessly combines customization with convenience. Crafted with precision, the dimensions of 56 x 59 x 2400/3600/4200mm ensure a seamless fit for a diverse range of staircase configurations that require a 41mm spindle groove. Whether you prefer the natural allure of Unfinished oak or the ready-to-install convenience of the Finished option, the modern look of the Oak HDR Handrail will make for a quality addition to your staircase.
