Oak Pigs Ear Handrail

Our wall-mounted Oak Pigs Ear Handrail comes in a very distinctive shape as compared to other handrails. The dimensions of 90 x 32 x 4200mm ensure a seamless fit for various staircase configurations once trimmed down to the required size, offering a perfect fusion of style and functionality. This product can also be mitred, making it a perfect wall-mounted oak handrail for those staircases with turns. Whether you opt for the natural allure of Unfinished oak or the ready-to-install convenience of the Finished option, the Oak Pigs Ear Handrail adds a touch of character to your staircase.
