

# High Spirits Flutes Care Kit

Everything you need to care for your flute.

Watch the "How-To" Videos: [www.highspirits.com/care-kit](http://www.highspirits.com/care-kit)

## High Spirits Windscreen

Add the windscreen to block the wind from taking your flute's voice when playing outdoors.  
Simply slide the split portion of the windscreen under the fetish leather.

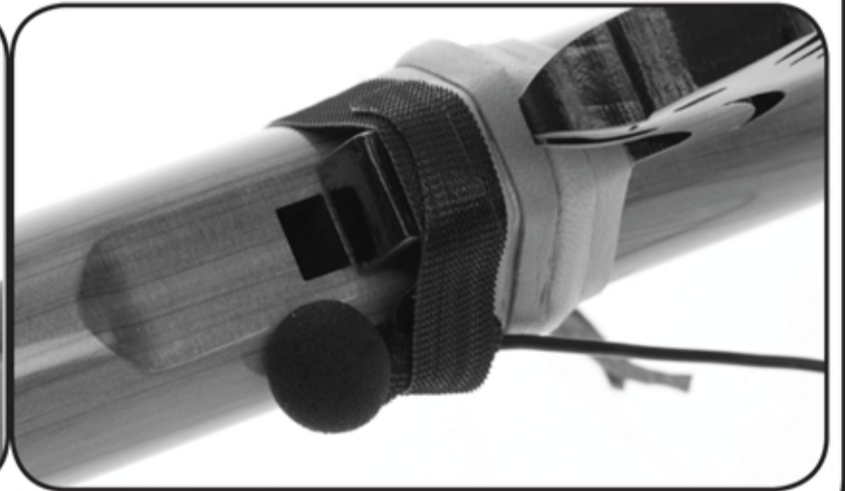

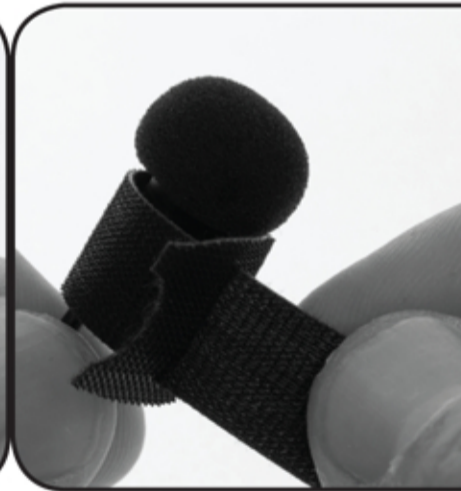

## High Spirits Microphone Strap

1. Make a loop by sliding the end of the strap through the slot

2. Slip the lapel mic through the loop and tighten the loop around it.

3. Make a loop by sliding the end of the strap through the slot
