

V-FORCE 2.0™

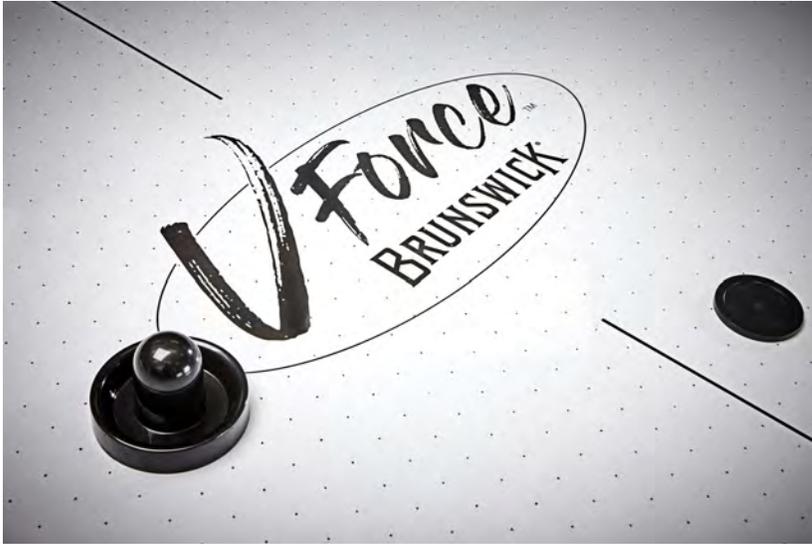

The table for performance in Air Hockey® since Brunswick invented the game more than 30 years ago, the V-Force 2.0 table features dual abacus scorers and exceptional speed of play. Aluminum rails with powder-coated metal corners accelerate the action. Super slick, scuff-resistant "ice" helps keep the table looking sharp even after hours of intense competition.

Now compatible with CT7 table tennis conversion top.

V-FORCE 2.0™
