# PARTS & TOOLS

- 1) Ensure all the parts are included in the package before assembling Strive.
- 2) If any parts are missing or damaged, please contact us at [support@muninsports.com](mailto:support@muninsports.com). If any parts are damaged, please attach a photo to the e-mail.
- 3) Use the tools that are included. Please don't overtighten the nuts and bolts. You may need a rubber mallet (not included) for some steps. Please don't use a regular hammer.
- 4) Some assembly steps are best carried out by two people.

**WARNING:** Before starting to use Strive, the product should be assembled in accordance with the assembly manual. Munin Sports® is not responsible for injury or damage to persons or property resulting from the incorrect assembly of the product. Strive is a training apparatus developed for football/soccer training. Therefore, children should not use Strive without prior instructions from an adult skilled in training. We recommend that children under the age of 12 only use Strive if an adult is present. Particular attention is drawn to the fact that if Strive is not used according to instructions, small children risk becoming trapped in the assembled netting. Strive shouldn't be assembled, dismantled, moved, or handled without an adult. Munin Sports recommends that Strive is only used for the exercises explicitly presented on [www.muninsports.com](http://www.muninsports.com). Munin Sports disclaims all responsibility for injury and damage to persons or property caused during storage, exercises, or other use being undertaken to deviate from or in contradiction to the use presented on [www.muninsports.com](http://www.muninsports.com). Storage or use of Strive deviating from or in contradiction to the instructions takes place at the user's own risk. Do not climb or hang on the product. Do not grab the netting when you move the product. Strive is for backyard use.
