It has only been a week, but I feel like I have been away for a month! I hope your having alot of fun at home, did you get to go to the county fair yet?

I like all the kids here, some of them are really nice, and a few of them are really fun. This one girl, Lily, reminds me of you know who.

I made you a bookmark in craft hour, and sent it along to you with this letter.

See you soon -

Lucy ♡

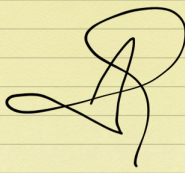

I grow afraid, my love, of what
I am becoming ~ my hands
still shaking from last night -
the view of love and death, bound
together like a twisted knot —

Constructing around me - I am
unsure if I can continue this —

I am having doubts — but I
am too afraid to tell you - I want
to stop - I don't know if this
letter will find your respect or
hate - but I hope you know -

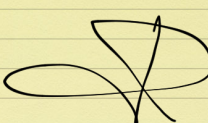

I will always love you - I
just cannot —————
go on like this
Yours D

I am forever bound to you -
you are my all and everything -
without you, I am empty!
Last night was delicious, her
soft flesh ripped by your blade
was my undoing - I have never
felt something this pure. Lover
of my dark heart - take me like
that again - break me open -
I am yours, always and
forever —

Yours 

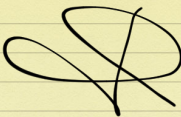

The feeling of the dark
crimson liquid flowing
from our doe - fills me with
an intense pleasure - I still
feel you inside me - deeply
dark my world is without
you -

You are my world - wrapped
in your arms I belong to you,
I am yours - heart and soul -

Yours

Last night was something
I cannot forget - I am
still shaken by the passion
shared my body still -
lingers in our bed - I feel
marked by the flames of
which our love burns, melting
at your touch.

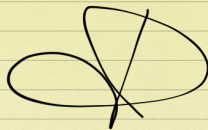

My skin burns for you my
love - until tonight - I
await your embrace with deep
anticipation.

Your

Today, we learned about lightning bugs - it was pretty cool - also got to go swimming in the lake - it was really cold - but I enjoyed it - cause it's been super hot!

Can't wait to tell you all the stuff I did and share all the wierd stories of me and Lily and what we got up to!

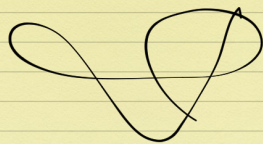

Yours

I can't wait to come home
and tell you all about camp b

Almost on my last few
days - its been so much fun
but its going to be nice to
come home and have a
nice bed again - and maybe
a hot shower haha.

I know I will not be seen as I wanted to be - they will call me a killer - which I am, they will say I was crazy - but I was not. I loved him, I loved him more than I loved anyone or anything. He knew me, and protected the broken things in me.

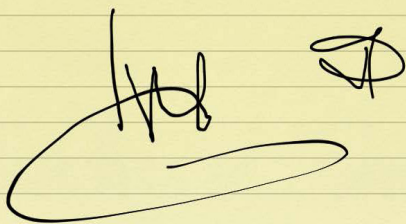

I cannot express my regret in any way that will make the families feel closure or wipe the tears and agony from their faces. The reason for this slaughter, the death, is because I wanted to erase myself.

The does are me - they were the luv that I needed to bury, all of them ~~took~~ my hate - they took my abuse - they took my guilt. But its not enough - and I know he knows I am awake - he will kill me - but I will go out knowing that you will find him - he hides them all in the hidden room - it sits behind the red lamp - you need to stop him - you need to

For my part - I am sorry -
I cannot say more - but if
you really want to know why -

She is buried in a nice place -
under the swing on the willow tree -
her favorite place - she didn't deserve
it - my heart is broken - I welcome
this death -.

I wish you could have met me before
he took me to the dark place - but
all you will know now is the
broken doll - destroyed and guilty

Troy

Hey there! Hope camp is
fun. Can't wait to see
you when you get home!

Troy

She betrayed me! How could she. How dare she! She was supposed to be the one... I'll make her oh how I'm going to make her pay! My little Fry flower. You will know the meaning of your name soon enough!

My little dark Jry has been found. This agent, what was it they called him? Leo, agent Desbrates. He caught on to the note but not its meaning - hopefully he will. Something about him - so intriguing - can't wait when we meet soon - Jry
