MEDITERRÁNEO

A monochromatic blue-toned photograph of a sailboat on the sea with mountains in the background. The sailboat is in the lower right foreground, moving towards the left. The sea is a deep blue with whitecaps. In the background, there are several mountain peaks, some with light mist or clouds. The overall mood is serene and inviting.

An invitation to experience the Mediterranean spirit, the Las Islas way.

Las Islas

A Journey with Every Sip

Embarking on a journey with Las Islas is not merely a taste experience – it's an exploration of the Mediterranean's vibrant culture, woven into the very fabric of our organic, sustainable spirits. Our brand is a tribute to the Mediterranean's sun-kissed shores and crystal-clear waters, captured within each treasured bottle.

Our organic spirits are delicately distilled with precision using a selection of hand-picked botanicals that encapsulate the Balearic's lush flora. Each ingredient, from juniper, to lemon peel, rosemary flowers and lime peel, is a tribute to the Balearic Island's rich biodiversity.

When you sip the Las Islas spirits you enter a sensory voyage – from zesty citrus notes to hints of local herbs, and an incredibly smooth finish. It's not just another spirit, but an invitation to experience this Mediterranean spirit, the Las Islas way.

Distinctly Mediterranean from the Balearics

The island-sourced botanicals encapsulate its rich biodiversity, creating a balanced flavor that transports you to the sun-kissed Mediterranean shores.

Distilled with Care & Attention

Our small-batch approach ensures we oversee every detail of the distillation process, enhancing the quality and character of our spirits. Experience the dedication and craft-knowledge that sets our spirits apart from the rest.

Organic is the Future

Made exclusively with organic botanicals sourced from the Mediterranean. Every sip is a tribute to our commitment to organic production, delivering 100% environmentally conscious spirits that do not compromise on flavour or quality.

Sustainability at the Forefront

Our production process is a testament to our commitment to a zero-emission future. Through the extensive use of solar panels, we achieve sustainable and environmentally friendly distillations.

Las Islas

GIN MEDITERRÁNEO

We invite you to indulge in the Las Islas Mediterranean Gin. Crafted in small batches, this gin is a symphony of botanicals that encapsulate the essence of the Mediterranean. The fresh herbal notes of lemon thyme and basil captivate your senses from the first scent. Bright hints of citrus from lemon, orange, lime and mandarin peels intermingle with the prominent Mallorcan juniper. The intriguing dance of angelica roots, coriander, and cardamon adds a complex depth, while the floral undertones of lavender and rosemary flowers, with the unique addition of fig leaves in the distillation process, offers an enticing twist to the gin.

The Gin contains a fresh, Mediterranean aura, expressing a distinct blend of sensations that are rounded and elegant. Each sip is a tribute to the gin's balance and power, a symbol of Mediterranean sophistication. Distilled to perfection with ingredients sourced exclusively from the Balearic Islands, it is an expression of Mediterranean elegance in a bottle. The gin's summer and holiday scents transport you to the beauty of the Mediterranean coast.

Pair it with high-quality tonic water, a twist of lemon peel and lot of ice for an exceptional drinking experience that embodies a Mediterranean summer.

Las Islas

GIN CITRUS

Feel the Mediterranean sunshine with the vibrant citrus notes of Las Islas Citrus Gin. Crafted to perfection, this Gin boasts a unique fusion of Mallorcan sweet citrus fruits, including lemons, limes and oranges which are effortlessly balanced with the crisp undertones of juniper, creating a harmonious symphony of flavours.

The flavour experience of Las Islas Citrus Gin takes you on a sensory journey, beginning with an invigorating freshness on the nose, followed by a seamless flow of complex and zesty citrus notes. The initial sip introduces a revitalizing surge of flavour, marked by herbal accents and the bittersweet notes of marmalade. The gin concludes its journey with a delicately sweet aftertaste, followed by earthy green notes, surprisingly transporting you through the mountainous citrus fields of the Mediterranean on a warm Summer's day.

Pairs perfectly with premium tonic, a slice of fresh orange and a sprig of basil. It is also the perfect spirit for adding a creative touch to your favourite summertime cocktails.

Las Islas

VODKA MEDITERRÁNEO

Las Islas Mediterranean Vodka encapsulates the essence of the Mediterranean with every sip. Crafted from 100% certified organic wheat, Las Islas is a showcase of the finest wheat, carefully selected for its exceptional purity.

Expertly filtered through a cold filtration process, delivering an exceptionally clean taste with a smooth sweetness on the palate. Each batch is handcrafted in small quantities, ensuring there is an attention to detail that sets Las Islas apart. The finish is long and smooth, with a subtle warmth that lingers on the palate, reminiscent of the Mediterranean sun.

Las Islas Mediterranean Vodka can be enjoyed on its own, over ice, or in a variety of cocktails. Its smooth and refined flavour profile makes it a perfect base for classic and summer Vodka cocktails, such as a Vodka Martini or a Vodka Spritz. Experience the exceptional purity of Las Islas.
