

OKASHA®

Make your life Smart

WIFI SMART

POWER EXTENSION

User Manual

www.okashasmart.com

1.Install APP

Google Play

Download on the
App Store

Scan QR code (compatible with Android & iOS system),
or search "Okasha Smart" in APP Store or Google Play

2. Register APP

Select country

The screenshot shows a mobile application registration screen titled "Register". At the top, there is a dropdown menu for selecting a country, currently set to "Pakistan". Below this is a text input field for the phone number, with a "Send SMS" button to its right. A checkbox labeled "I Agree to all Terms and Conditions" is visible, followed by a blue "Sign Up" button. At the bottom of the screen, there is a Facebook logo and a "Sign in with Facebook" button.

Sign in with Email or Facebook

The screenshot shows a mobile application screen titled "Enter Verification Code". A dashed line indicates where the code should be entered. Below the input area, a message states: "Verification code has been sent to your mobile phone. We'll resend it in 30sec (3/16)". At the bottom, there is a numeric keypad with digits 1-9, 0, and a backspace icon.

Enter verification code
(Only when registering
with phone number needed)
