User Guide

1. Start with "Okasha Smart" App

2. Register an "Okasha Smart"

3. If you have Okasha Smart, Just log in.

4. On/Off operating Principle:

   The Connected appliances work/stop through live wire power On/Off
Add devices

.1. QR Code Conenction

Tips: The devices only support 2.4GHz wifi currently not 5GHz wifi . And the WIFI password should not contain any special characters eg. !@#$%^&*()

Power on the camera ,you will hear the broadcast "Wait for wifi configure" If you heard nothing at all kindly reset the camera to factory settings.

**Note:** When you change your wifi "password" you will need to configure the device again.

⊕ / Add device

Add device
