FIROUZ FARMANFARMAIAN

Contemporary Nomads

Limited Edition Art Rugs & Tapestries

ABOUT THE ARTIST

Born in Tehran, Iran, in 1973, Firouz FarmanFarmaian's artistic journey is a testament to his diverse cultural experiences and deep exploration of history and memory. With a background that spans Paris, Andalusia, and North Africa, FarmanFarmaian's art reflects a rich tapestry of influences, bridging dialogues between past and present, East and West. His work is deeply rooted in his post-tribal ethos, where traditional craft meets innovative technology, resulting in vibrant compositions that traverse themes of ecology, politics, and philosophy.

The Contemporary Nomads collection, comprising five distinct designs, drawing inspiration from his immersive experiences with the Altyn Kol Craftswomen NGO in Kyrgyzstan's Tian Shan Range. The collection's centerpiece, the "SHYRDAK" series, masterfully weaves a narrative that transcends time, seamlessly connecting his previous explorations of Amazigh tribal culture with the nomadic traditions of Central Asia.

Each piece in the Contemporary Nomads collection is more than just a design; it is a journey across continents, embodying the fluidity and resilience of nomadic life. Like a tapestry of history and identity, the collection invites viewers to engage with the artist's ongoing dialogue between cultural heritage and modern artistic expression. Whether showcased at international art fairs or intimate gallery settings, Contemporary Nomads is a movement that transcends borders, inviting us all to discover the rich connections that unite us through art.
