CALIFORNIA INGREDIENT DISCLOSURE

California's "Cleaning Products Right to Know Act of 2017" (SB-258) requires product manufacturers to disclose the ingredients of specific types of products on the product label and on the product web site. The types of products specified include air care products, automotive appearance products, general cleaning products, and janitorial cleaning products. Industrial products, specifically made for manufacturing processes, are not subject to the act.

The regulation can be viewed at:
