SUPER FLAT POOL ENCLOSURE

DUE TO ITS EXTREMELY LOW BUILT THE HORIZONT SUPER FLAT ENCLOSURE BLENDS INTO ITS SURROUNDINGS IN A VERY ELEGANT WAY TO FULFILL THE CUSTOMER'S NEEDS. THE ENCLOSURE'S SQUARE SHAPE SUITS THE MODERN ARCHITECTURE THEREFORE IT IS AN IDEAL ACCESSORY FOR THE SWIMMING POOL IN THE GARDEN. EVEN IF IT IS A 4-SEGMENT ENCLOSURE THE TALLEST SEGMENT IS ONLY 560 MM HIGH, WHICH IS QUITE A RARE SOLUTION IN THE MARKET.
