COMPOSITION

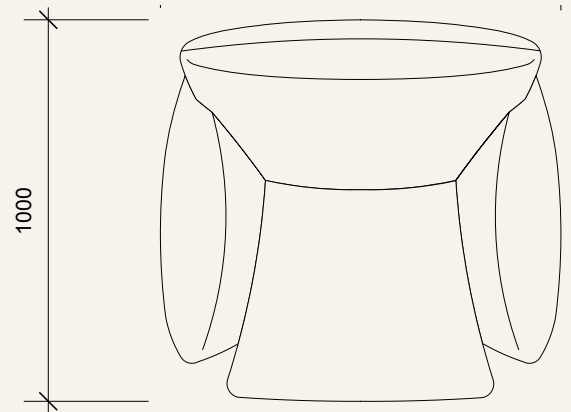

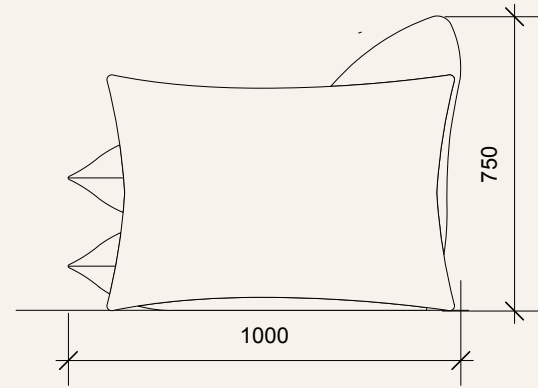

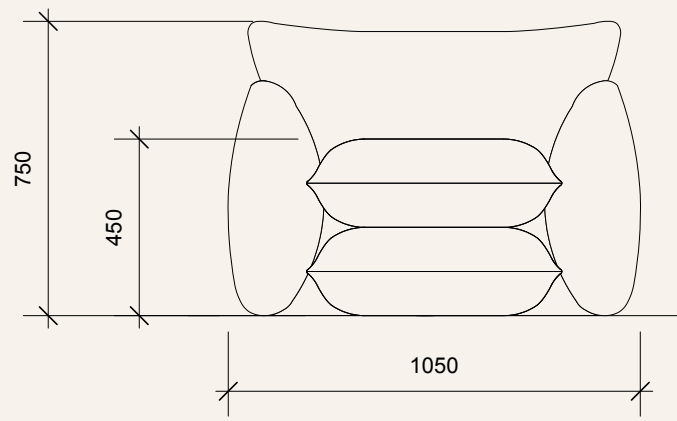

Constructed from FSC certified Beech, Birch and Birch ply, with a fully sprung base.

The interior consists of soft foam, dacron, fibre and feather, so it is comfortable whilst also retaining its form.

The fixed covers are made from 100% shearling.

SAFETY

Our fixed covers have passed a cigarette test and each chair is made with a Schedule 3 Crib 5 interliner to comply with the 1988 Fire Safety regulations. All filling materials also comply with these regulations.
