

INTRODUCING

Catering Tray Pro™

**Serve & Clear with
unmatched Safety,
Style & Elegance.**

Serve with the confidence of perfectly balanced & secure plates every time. **Two 12.5" plate compartments** ensure seamless transition from the kitchen to your banquet floor or dining room. Intelligent, self-balancing design & ergonomically placed hand-holds ensure each carry for your Team is a breeze! This light-weight champion is the perfect partner for your banquet operation.

Protect your investment. When clearing tables, keep your expensive silverware separated from food left-overs and virtually eliminate loss back in stewarding. Everything has its place and the visual appeal to your guests is unsurpassed. No more awkward shifting, tilting or struggling with unbalanced, cumbersome trays. Intelligent, sophisticated clearing at your fingertips.

Constructed from light-weight
ABS food-safe plastic.

Limited Bonus Offer
3 plastic, cylindrical flatware holders!
