

## TOILETS STANDARDS

By the law of February 11th 2005 (articles R.111-19-2 and R.111-19-3), is defined the principle of "access for everyone, everywhere", coming into effect from January 1st 2015.

By the article R.111-19-2, is defined the part with regard to public sanitaris, equipments, and internal furnitures. Many standards are applicable to these spaces. The standard referring to Trone toilets is the following one:

"The bowl's height, including toilet seat, must stand between 450 mm and 500 mm"

**Trone bowl's height (including seat): 480 mm**

## PRMs INSTALLATIONS STANDARDS

*Applicable Standards**Callipyge toilets dimensions*

\* All dimensions are in millimeters
