ERADO-SOL®

Original Pink Scented Formula

- *Fast-Acting* • *Versatile* • *Readily Biodegradable Surfactants* •
- *Neutral pH 7-8* • *No Bleach, Peroxide or Phosphates* •

Helps Remove: Most medical, histological & chemical stains including iodine, Wright Stain, Lugol's Stain, fresh blood stains and more.

Erado-Sol helps remove stains from anywhere: hands, glassware, lab equipment, stainless steel, plastic, counters, floors, lab coats, clothing and hospital linen.

Easy to Apply: Simply rub in gently (and like magic): the stain is removed in a matter of seconds. Rinse with water. For more stubborn stains, repeat as needed.

Surfaces and Floors: Simply apply to floors or equipment for difficult stains, let set for up to a couple of hours, then rinse with water. Repeat if necessary.

Colorfast Labcoats & Hospital Linen: Lightly moisten stained area with water. Place small amount of Erado-Sol directly on each stain & massage into fabric. Let sit 15 seconds. Rinse with water. Repeat if needed. For very stubborn stains: let soak, then rinse with water & launder as usual.
