Terrasym® 450 + DUST™ is a bacterial inoculant for use in agriculture for corn and sorghum during critical stages of development.

- WHEN APPLIED, TERRASYM 450 + DUST:**
- Allows plants to more effectively utilize nutrients
  - Provides seed lubricant and seed flow aid during planting or seeding

**DIRECTIONS FOR USE**

**PLANTER BOX/HOPPER BOX APPLICATION:**

The recommended application rate is 0.5 oz. (14 g) per 1 unit of corn (80,000 seeds/unit). The recommended application rate is 0.5 oz. (14 g) per 50,000 sorghum seeds. Apply by dispersing the powder evenly onto seeds using appropriate equipment.

**Terrasym 450 + DUST can be applied in all planter types.**

No additional specific markers or distinguishing features of seed coating are needed.

Read the entire front and back label before using this product. Use only according to label directions. To the extent consistent with applicable law, this product shall not be reverse engineered or used by Buyer for research purposes.

EXCEPT AS PROVIDED ELSEWHERE IN WRITING CONTAINING AN EXPRESSED REFERENCE TO THIS WARRANTY AND LIMITATION OF DAMAGES, SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OR GUARANTEE TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INCLUDING ANY OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS, NON-INFRINGEMENT, MERCHANTABILITY, OR OF MERCHANTABILITY, AND NO AGENT OF SELLER IS AUTHORIZED TO DO SO.

The Seller warrants that this product contains the minimum number of Methylobacterium viable cells as specified on this label. The Seller makes no other warranty expressed or implied as to product viability or performance since product storage, use, and growing conditions are beyond the Seller's control. Seller's limited warranty is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. Seller shall not be liable for special, indirect, incidental or consequential damages. If this product does not perform as warranted above, and to the extent consistent with applicable law, customer's sole remedy for breach of warranty shall be replacement of the product or refund of the purchase price paid, at the option of NewLeaf Symbiotics.

**LIMITED WARRANTY**

Product is stable for nine months from packaging date when stored as directed. Please see the packaging date found on the container.

**EXPIRATION DATE**

Dispose of contents/container in accordance with local/regional/national/international regulations.

**DISPOSAL**

Store in tightly closed original container in a dry, cool and well-ventilated place. Do not exceed 80°F for extended periods. Keep container closed when not in use. Keep away from food, drink and animal feedstuffs.

**STORAGE**

Avoid contact with skin, eyes and clothing. Avoid inhalation of powder. Wash any contamination from skin or eyes immediately. Wash hands and exposed skin before eating, drinking, smoking or using the toilet.
