Say goodbye to tangled cables with the Matrix 2-in-1 Magnetic Charging Dock. Charge your MagSafe or Qi-compatible phone in portrait or landscape for easy access, while your earphones charge away in a convenient Qi-charging cradle.

## Elevate Your Desk & Bedside Table Setup

---

Tangled cables are a thing of the past. Reclaim your desk or nightstand and peace of mind by charging all your daily devices with a single USB-C cable, all in a stylish, minimalist dock designed to showcase your devices.

## Portrait Or Landscape

---

Effortlessly switch between Portrait and Landscape to watch videos, scroll the news or just flick through TikTok.

## Qi Charging Cradle

---

The dock's custom charging cradle makes it easy to align your wireless earbuds case for charging, although it can charge other devices, such as second phone.
