

# TOMAR'S ENVELOPE OF SAFETY®

STATION

POINT OF CRISIS

**Responding to an emergency** is one of the most hazardous and stressful things you do.

*One company.*

*One suite of solutions.*

*That's TOMAR's Envelope of Safety®*

Expedited exit from the station – TOMAR FSEMIT Fire Station Emitter System

Expedited yielding of traffic – TOMAR Revolution longer-range emergency warning light optics

Expedited response through traffic congestion – TOMAR STROBECOM II Traffic Priority System

Expedited entry to restricted, gated properties – TOMAR STROBESWITCH automatic access

Expedited safety on scene – TOMAR Revolution focusing warning light away from your eyes

No other single manufacturer can offer all of these solutions.

**TOMAR HELPS KEEP YOU SAFE SO YOU CAN SAVE OTHERS**
