The Education Committee of LongHouse Reserve had a simple idea when thinking about its first Student Annual: to offer every school aged child, K – 12th grade, the opportunity to respond in their unique way to their time here at LongHouse. We like to say, “Think outside the box. There’s no right or wrong – just let us feel what you feel, see what you see. How has LongHouse inspired you?” So it began. Each year the Student Annual has become a much anticipated community event.

A juried panel of educators had the challenging task of choosing winning pieces from categories as diverse as Product Design, Art & Poetry, Digitally Generated Photography, Ceramics, Mixed Media, Book Arts and Costume Design. We had over 300 “best of the best” submissions and after much deliberation 128 ribbons were awarded to students from the following schools: The Academy at Bixhorn Technical Center, Amagansett School, Bridgehampton School, Comsewogue High School, East Hampton High School, Hampton Bays Elementary, John M. Marshall Elementary School, Longwood High School, Montauk Public School, Pierson High School, Ross School, Smithtown High School East, Southampton Intermediate School, Springs School, Tuckahoe Common School District, and West Babylon Senior High School.

On June 17th, a whopping 565 students, families, teachers, principals, superintendents, community and press came together in celebration. The afternoon was complete with an awards ceremony, a curated outdoor showing of winning work as well as winning performances in Interpretive Dance, Emma Engel & Elizabeth Burdge and in Original Music, the Bridgehampton HS Marimba Band. Best of Show was awarded to Evelyn Liang for, Laughing Warriors. Selected pieces of work were displayed at the East Hampton branches of the Suffolk County National Bank and all pieces were placed on our LongHouse website for viewing.

We thank all of the schools who participated in this year’s Student Annual and their principals who continue to recognize the importance of Arts in Education. We thank our LH docents who lead thoughtful and engaging school tours. We thank our Education Donors whose continued support make all of our offerings to families, students, schools, interns and colleges not only possible but also free of charge. Most of all we thank the students, “our” children, who come to LongHouse with open minds and hearts. LongHouse inspires them but we are the ones inspired by their talent, vision and creative spirit. We couldn’t be prouder and are already looking forward to Student Annual VIII on June 16, 2015.

EDUCATION FOCUS
Inspired by the natural beauty and sculptural aesthetic at LongHouse, the Education Committee seeks to empower visitors in a compelling and personal way. By providing a variety of resources to enhance the experience, we strive to awaken the senses, deepen one’s appreciation and empower the artist within. We offer docent-led school tours, curriculum and family-activity guides, online materials and videos. It is our intent that these resources, along with our festivals, workshops, and the Student Annual, build strong, lasting relationships between LongHouse and our students, educators, families, and community.

THANKS TO THE EDUCATION COMMITTEE

THANKS TO OUR SCHOOL DOCENTS
