# Your Two Logins

For security purposes, each Affiliate will require two separate logins, both accessible through the Home Page, at [www.E3LiveGlobal.com](http://www.E3LiveGlobal.com). These logins are for:

1. The E3LiveGlobal **Store**
2. The Affiliate Business **Dashboard**.

When an Affiliate first signs up and places their first order, they create a login (email and password) on the E3LiveGlobal.com **Store**. This will be your **Store Login** and will be used any time you want to place a product order.

The screenshot shows the E3LiveGlobal Store login page. At the top left is the E3LiveGlobal STORE logo. To its right are two buttons: "Affiliate Dashboard Login" and "Store Login". Further right is a language dropdown menu set to "English". The main heading reads "Welcome to The E3LiveGlobal Store". Below this, there are two sections. The first section is for existing users, with the text "If you are have a Customer or Affiliate Store account, login here:". It contains two input fields labeled "Email" and "Password", and a "Sign in" button. The second section is for new users, with the text "If you have not yet created your Customer or Affiliate Store Login, create a new account here:", and a "Create a new Account" button.

Your **Store** login is where you place product orders.

You can access your **Store** from the home page at:

[www.E3LiveGlobal.com](http://www.E3LiveGlobal.com)

# Your Two Logins

After the very first order, Affiliates are automatically sent an email that contains the login email and a temporary password for their second login, to their business **Affiliate Dashboard**. You should immediately use that information to log into your Dashboard for the first time. To make it easier to remember, you should change your temporary password to the same one you use for your **Store** login. Always keep the same email address for both logins.

The screenshot shows the 'Affiliate Dashboard Login' page. At the top left is the E3liveGlobal logo with 'Affiliate Dashboard' underneath. The main heading is 'Affiliate Dashboard Login'. Below it is a link: 'Click here to return to the Store'. The text explains that this login is for existing Affiliates to see their business dashboard. It also provides instructions for new Affiliates to sign up. A note states that the Affiliate Dashboard has a separate login from the Affiliate Store login, and that the same email address must be used for both. A suggestion is made to use the same password for both. The form includes an 'Email:' label, an email input field with an envelope icon and the placeholder 'Enter email', a 'Password:' label, a password input field with a lock icon and the placeholder 'Password', and a 'Forgot Your Password?' link. A green 'Sign In' button is at the bottom.

Your **Dashboard** login is where you can see all of the information of your growing network and tools to build your business.

You can access your **Dashboard** from the home page at:

[www.E3LiveGlobal.com](http://www.E3LiveGlobal.com)

# Your Dashboard

Using your **Dashboard login**, the Dashboard is where you will see business information, your network of growing Affiliates and Customers, set up your commissions, and other business matters.

From your Dashboard, it is highly suggested that you set up an autoship, since one of the basic qualifications for earning commissions is having a Personal Item Count of at least one pouch each month.

The screenshot shows the E3liveGlobal Affiliate Dashboard interface. It features a dark grey header with the logo and a user profile dropdown. A left sidebar contains navigation menus for Overview, Order, Network, and Wallet. The main content area is titled 'YOUR AFFILIATE DASHBOARD' and includes a table for 'YOUR 0-1K QUALIFIED RANK', a 'NETWORK DETAILS' table, an 'AUTOSHIP STATUS' indicator, and four summary cards for 'PERSONAL ITEM COUNT', 'CUSTOMER COMMISSION', 'TOTAL ITEM COUNT', and 'UNILEVEL COMMISSION'.
