

Thanks for choosing the Pro-Spec Easy Ride windscreen extender. The extender is height adjustable to ensure added riding comfort.

Please follow the instruction carefully to ensure the desired benefit of the extender.

Check for proper centring of the screen and mark 4 holes as per the back plate, follow two steps drilling (small pilot drill of 2mm and final 4.5 mm).

Note: Some parts are pre-assembled, though the Easy Ride are designed for DIY installation it is recommended you have the Easy Ride installed by a technician if you face difficulty.

Extender to be cleaned using water, neutral soap and sponge or microfiber cloth.
Never wipe using dry cloth or use solvent as they may scratch or damage the surface texture permanently.
