an act of love  
in the echo  
of my mind  
reality feels  
left behind

as the fog  
delicately hides  
that forceful  
beneath

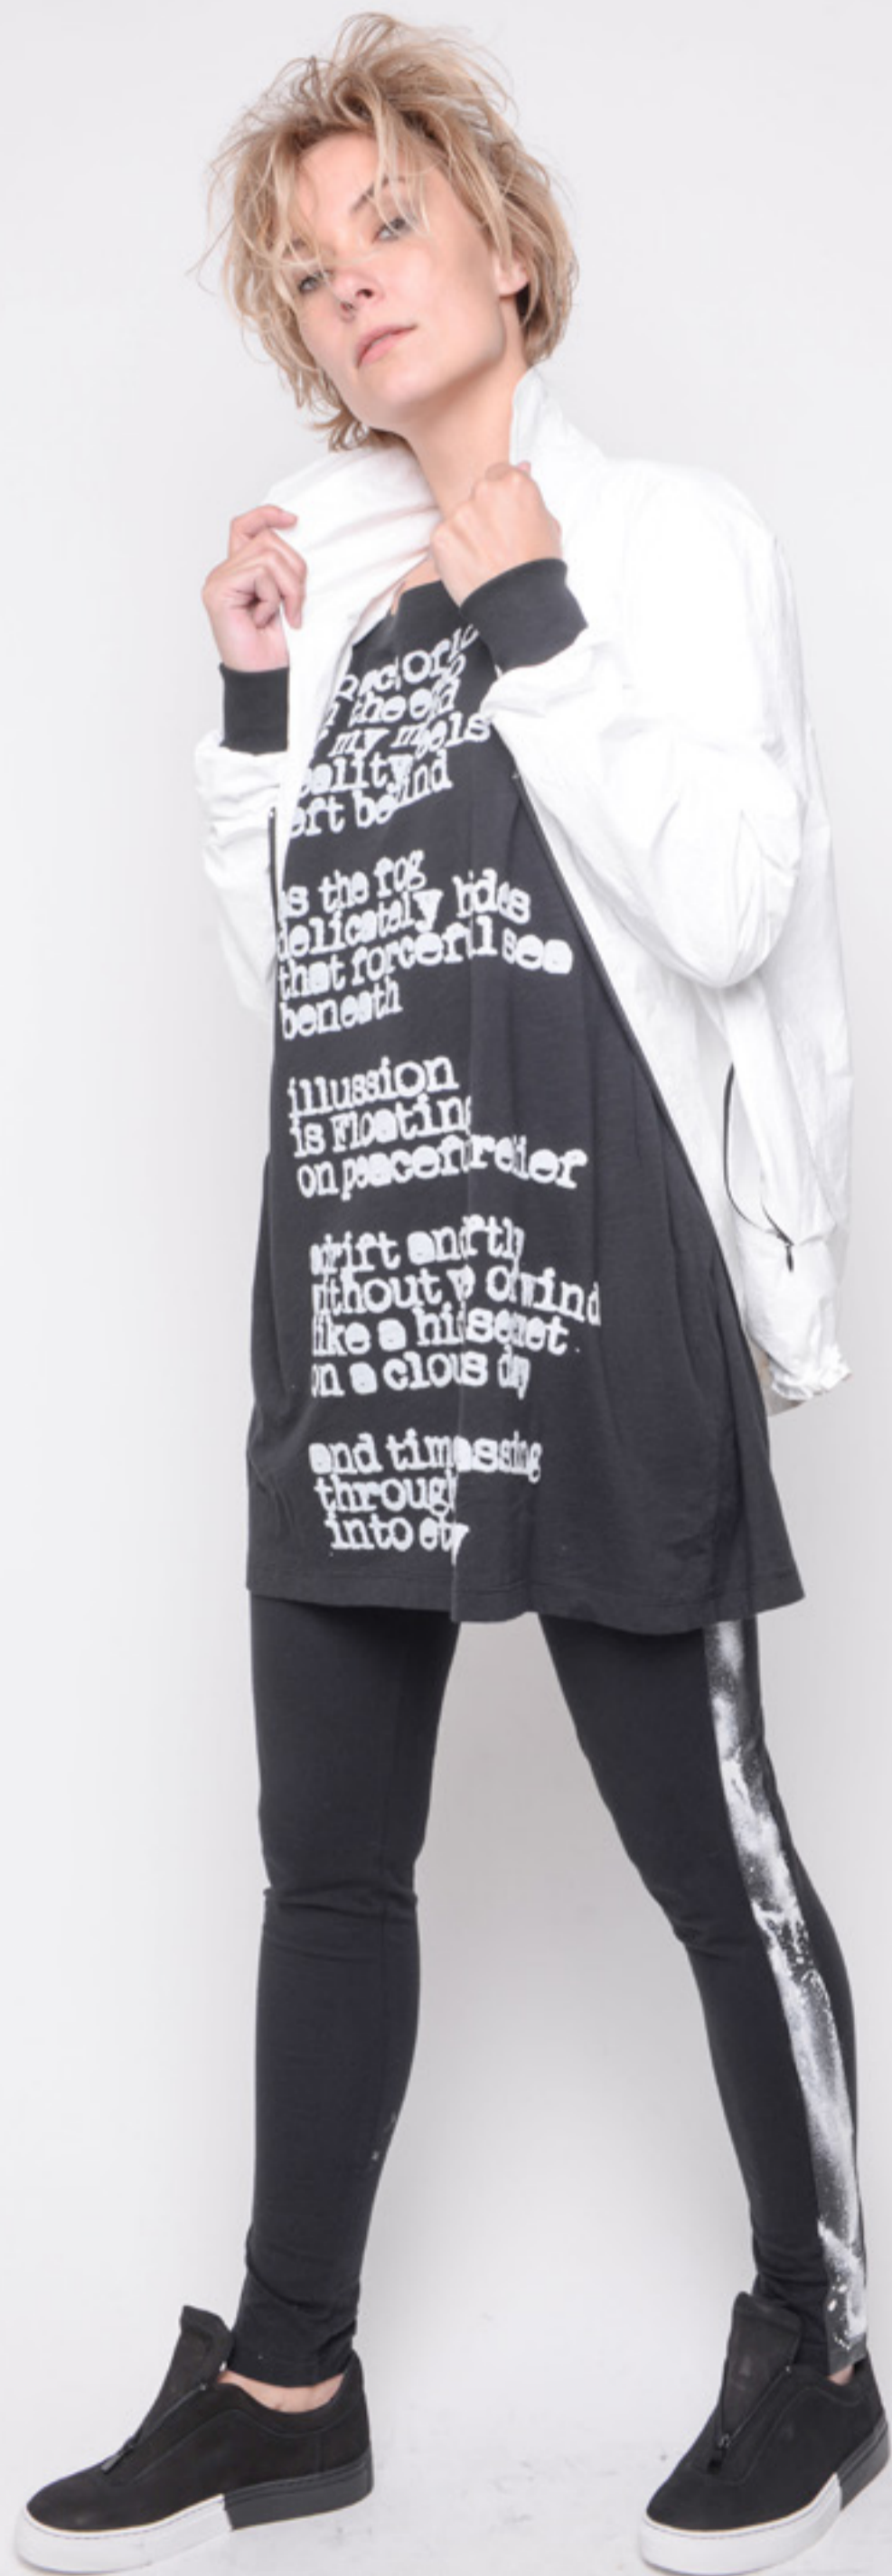

illusion  
is floating  
on peaceful

adrift and soft  
without void  
like a hidden  
on a clouds

and time is  
through  
into etern

an act of love  
in the echo  
of my mind  
reality feels  
left behind

as the fog  
delicately hides  
that forceful sea  
beneath

passion  
is floating  
on peaceful relief

drift and softly  
without voice or wind  
like hidden secrets  
on a cloudless day

and time is passing  
through love  
into eternity
