Introduction

Rustic, The compact wireless speaker that delivers deep, crystal clear HiFi sound. Ready to play wherever you go, its compact cylindrical body makes it efficient and portable, but don't let its small size fool you. The built in 3D DSP is designed to generate room-filling sound output with the least amount of noise or feedback. Rustic, offers 5-6 Hours of continuous high quality music playback along with an LED indicator to indicate its battery status. This powerful and portable speaker also includes a microphone and call answer button. To use it as a hands-free device. All this encompassed in an abrasion resistant body, making Rustic the best portable speaker for any environment.
