

Loose Man's Tie

Use scarf sizes 8 x 54 or 11 x 60

1) Hang the scarf around your neck with one end a few inches longer than the other.

2) Cross the long end behind the short end.

3) Wrap the long end around the front of the short end.

4) Wrap the long end around to the back, then bring it up through the open V at your neck.

5) Tuck the long end into the loop and slide it down.

6) Gently adjust the knot and the lengths of the ends.
