INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger sizes, the instructions will be written thus ().

Note: When working from charts, wind small balls of the colors to be used, one for each separate area of color in the design. Start new colors at appropriate points. To change colors, twist the two colors around each other where they meet, on WS, to avoid a hole. Small areas of color in charts may be worked using duplicate stitch if desired.
