The Acrylic Master

Acrylic Master is the brand name of Laser Signs (Longfield) Ltd.

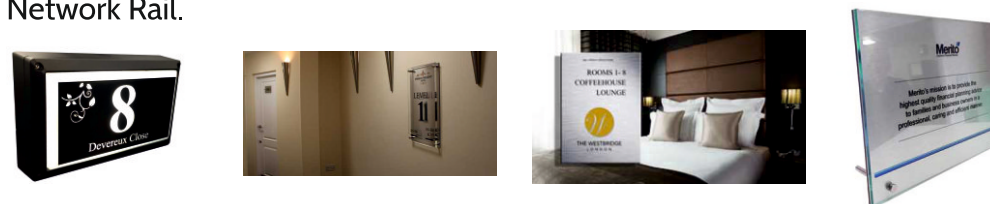

We are a progressive small family business producing uniquely individual signs, plaques and memorials for both the domestic and commercial markets.

At our Longfield studio we utilize the latest in laser and digital print technology to create unique and professional acrylic plaques for our customers.

We provide a comprehensive range of standard sizes and designs with options to include graphics | logos and text in any font type.

Should our standard range not suffice, we will gladly work with you to create a one-off sign or plaque that fulfills your specific requirements. We've helped thousands of clients from all over the world, with signs gracing private houses and villas through to public buildings and infrastructure companies like Network Rail.

Our informative proofing and on-line design tools, efficient order processing, reliable delivery dates and friendly customer service ensures our clients receive a service that is second-to-none.

A house sign is an important statement and a vital addition to any home. It gives the visitor an impression of your property and personality. It also aids emergency services to find your address quickly in case of any emergency.

We have sold thousands of our best selling designer plaques and many customers return to purchase as gifts for friends and family.

We are proud of the quality and service we provide and always strive to offer the best options for our customers.

Only using branded raw materials to create your unique plaque.

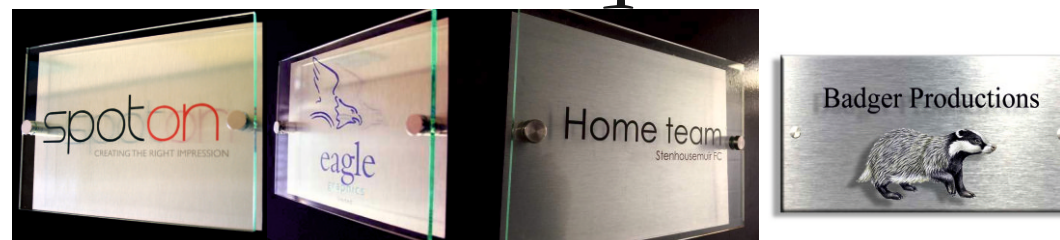

Our standard fonts are incredibly popular and have been selected over the past 15 years as entirely suitable for purpose and design. But you are not restricted to our choice! In fact we can design and print in any font you desire.

Fitting - All our plaques are supplied complete with full fitting instructions and fixing kit to complete the project.
