FLUTE COFFEE TABLE

Inspired by Xibelani skirts worn by Xitsonga women to celebrate their culture, the Flute table features a pleated base and rimmed table top in textured terrazzo. Available in various sizes and colors.

Due to the nature of production methods and the use of natural materials, each product may vary slightly in both dimensions and coloring - we believe that these natural variations enhance the authenticity of each item.

Not suitable for outdoor use; however, can be used on a covered patio avoiding water and drastic humidity changes.
