LIEFIE CHANDELIER

This large-scale light fixture draws inspiration from the floral palm leaves seen throughout the tropical coastal regions across Southern Africa. "Liefie" is a colloquial Afrikaans term of endearment for love. Hand-welded in Johannesburg, South Africa, the artisanal nature of the pendant unifies organic qualities and functional lighting.

All hard-wired lighting is UL-listed for dry locations. Not suitable for outdoor use.
6' of chain and cord supplied with each pendant.
