MALAWI PALM SIDE TABLES

Handmade in Malawi using traditional weaving techniques, this pair of side tables is made of Ilala Palm - locally sourced palm leaves. The leaves are sustainably sourced from palm trees growing in the coastal regions of Lake Malawi. The tables can also be turned upside down and used as baskets or planters.

Due to the nature of production methods and the use of natural materials, each product may vary slightly in both dimensions and coloring.

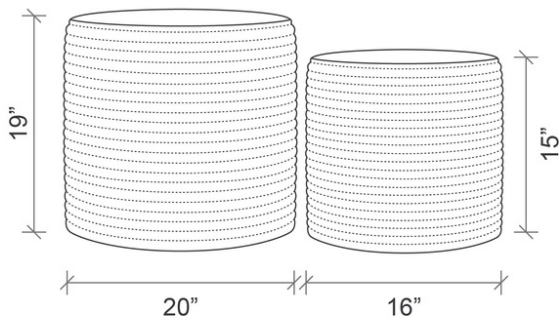

MATERIALS AND CONSTRUCTION

Ilala Palm

*** Due to the use of natural materials, each piece is unique and will vary slightly from image shown ***
