PANGOLIN PARK LINEN FABRIC

The pangolin is the star of the collection's most robust pattern. It is Ardmore artists' tribute to the rare and endangered pangolin, which has regrettably been highly trafficked for its scales. In African culture it symbolizes protection. Pangolin Park comes in a vast array of six colorways, plum, rust, silver, chalk, night and ash. Available in velvet, linen and outdoor fabric substrates.

This vibrant and detailed Ardmore Design print has been digitally printed onto a bleached base cloth.
