ROUND WOOD DISC CHANDELIER OMBRE WITH RECYCLED GLASS

The Wood Disc Chandelier is crafted from sustainably-sourced Jacaranda wood that has been cut and shaped by hand. Available with optional ombre finish and optional opaque glass discs. Both the wood and the glass have been recycled (Jacaranda is an invasive species that is cut and burned; the glass discs were Coke bottles in a prior life). The result is a bohemian yet elegant light fixture that fits any design style.

All hard-wired lighting is UL-listed for dry locations. Not suitable for outdoor use.
6' of chain and cord supplied with each pendant.
