SABIE FOREST VELVET FABRIC

Sabie Forest is the signature design available in three color ways - Delta, Moonlight and Dawn. The Ardmore design team allowed their imagination to work with the rich and detailed patterned plant and animal motifs found on Ardmore ceramic surfaces to weave into this design. Mischievous monkeys hang off of elephants' trunks, giraffe and snakes mingle amid patterned reeds and foliage, and an elusive striped and spotted King Cheetah cavorts through a leafy glen.

This vibrant and detailed Ardmore Design print has been digitally printed onto a white base cloth.
