THE OFFICIAL LAUNCH OF NSG NSG LIVE CLASSES

Our Non-Surgical Hair Grafting classes will provide comprehensive and detailed training on hair replacement techniques for both male and female clients.

The curriculum includes a wide range of topics such as the history of hair replacement, the biology of hair loss, consultations, adhesive choices, application methods, blending techniques, and more.

NSG students will be given a high-quality tool kit that keeps all the tools and materials needed to perform hair replacement services organized and easily accessible. By the end of this course, you will have the tools and knowledge necessary to perform hair replacement services for your clients.
