SUGGESTED COLOUR MATCHES

Which colours to choose? Having a base colour, and a matching Quickshade Wash will give you a great start to your painting project. Topping off with a nice highlight

colour will get you to the next level of painting miniatures. Read on to get a suggested set of matching colours for your personal paint scheme.

HOW TO READ THE COLOUR CHART:

Prime your miniature with your preferred colour primer, then you can

use the suggested shade. Use the suggested highlight for a cool detail.
