Dr. Beverly Moskowitz is a nationally recognized speaker with 48+ years of experience as an Occupational Therapist. As a school therapist, she serviced more than fifteen school districts, visiting over 60 different schools. Author of multiple publications, she strives to teach other therapists how to implement AOTA best practices, time-saving strategies and progressive IDEA ideals while 'keeping the fun going.'

A creative entrepreneur, determined researcher and tireless professional, she is also the author of The Size Matters Handwriting Program. Currently used in every state and 4 continents, its concept-driven approach to teaching and remedying handwriting has been proven effective at a .001 level of significance in the largest research study ever done on handwriting. In a 2018 comparison of Effect Sizes among nine handwriting programs, SMHP was concluded to be best for legibility.

In 2010, Bev launched Real OT Solutions, Inc. Its mission, as both a product and education business, is to provide therapists, teachers, parents, and kids, with **Effective, Efficient, Affordable and Fun** solutions to school needs. In 2015, she was recognized for her professional contributions and inducted as a Fellow into the American Occupational Therapy Association.
