

Treatment Plans: Not just for kids anymore!

Beverly H. Moskowitz, DOT MS OTR/L FAOTA

While nobody volunteers for catastrophe, Dr. Beverly Moskowitz redefined her views on parenting, relationships, communication, self-preservation and her professional role in the school setting due to life altering experiences. In a moving and yet, surprisingly funny address that resonates with our collective humanity, Dr. Bev exposes the 'Secrets Behind Her Mask'. Whether a parent yourself of a special needs' child or the professional dealing with one, her humorous take on tragedy will transform your practice, inform your interactions and give everyone permission to dance again.

KEYNOTE SYNOPSIS:

SHORT BIO:

Dr. Bev is a nationally recognized speaker with 43+ years of experience as an Occupational Therapist. As a school therapist, she serviced more than fifteen school districts, visiting over 60 different schools.

A creative entrepreneur, determined researcher and tireless professional, she is also the author of **The Size Matters Handwriting Program**. Currently used in every state and 5 continents, its concept-driven approach to teaching and remediating handwriting has been proven effective at a .001 level of significance in the largest research study ever done on handwriting.

In 2010, Dr. Bev launched Real OT Solutions, Inc. Its mission, as an education & product business, is to provide consumers--therapists, teachers, parents and kids, with *Effective, Efficient, Affordable and Fun* solutions to school needs. In 2015, she was recognized for her professional contributions and inducted as a Fellow into the American Occupational Therapy Association. In 2017, she was honored with the Distinguish Alumni award at Temple University. She serves on the Advisory Board of two universities and collaborates with many more to expand the body of knowledge supporting SMHP and other state-of-the-art educational initiatives.

A popular presence on the lecture circuit, she strives to teach therapists, teachers and related professionals how to implement Best Practices, time-saving strategies, and progressive IDEA ideals while 'keeping the fun going.' In 2019, Dr. Bev joined the roster of memorable Keynote presenters with this thoughtful reflection on being both a provider and a consumer of therapeutic services.

This Keynote is an emotionally powerful, relatable and inspirational way to welcome any gathering of people confronting challenges. Its theme of acceptance, oneself and others, appears doable when reframed as a quality having not been mastered... **yet!**
