

ASSEMBLING THE SACHIN SPIT KIT

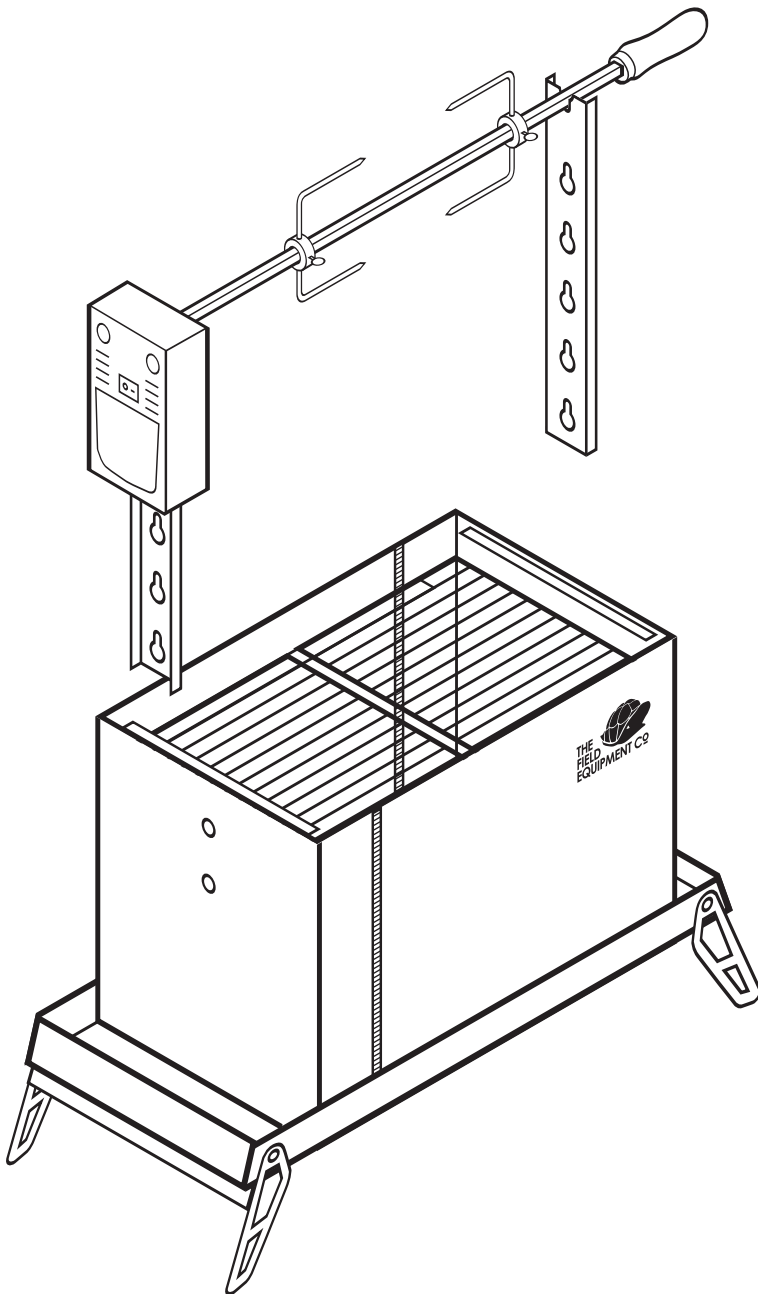

THE SACHIN SPIT KIT

FEATURES

- ▶ Stainless steel cased motor.
- ▶ Powered by 2 'D' cell batteries.
- ▶ 8kg load limit.
- ▶ 4 height settings.
- ▶ 304 stainless skewer.
- ▶ Compact design for portability.

GENERAL

- ▶ Do not leave your spit motor in the rain.
- ▶ Wash skewer and prongs prior to use.
- ▶ Skewer meat so weight is spread evenly to reduce load on motor.
- ▶ Spit mounts, motor, skewer and prongs can become hot during operation, handle with care.
- ▶ Skewer and prongs have sharp points, handle with care.
