Lines & Colours

Home Decor

Hello,

Welcome to
Lines & Colours Home Decor

Experience the magic of affordable luxury with our curated furniture selection. From sleek and modern to timeless and sophisticated designs, our collection encapsulates a wide range of styles to suit every preference. With our unwavering focus on quality, affordability, and customer satisfaction, we empower you to create a space that embodies your unique taste, aspirations, and budget, while ensuring unparalleled comfort and style.

Mission

Inspiring Spaces & Collaboration

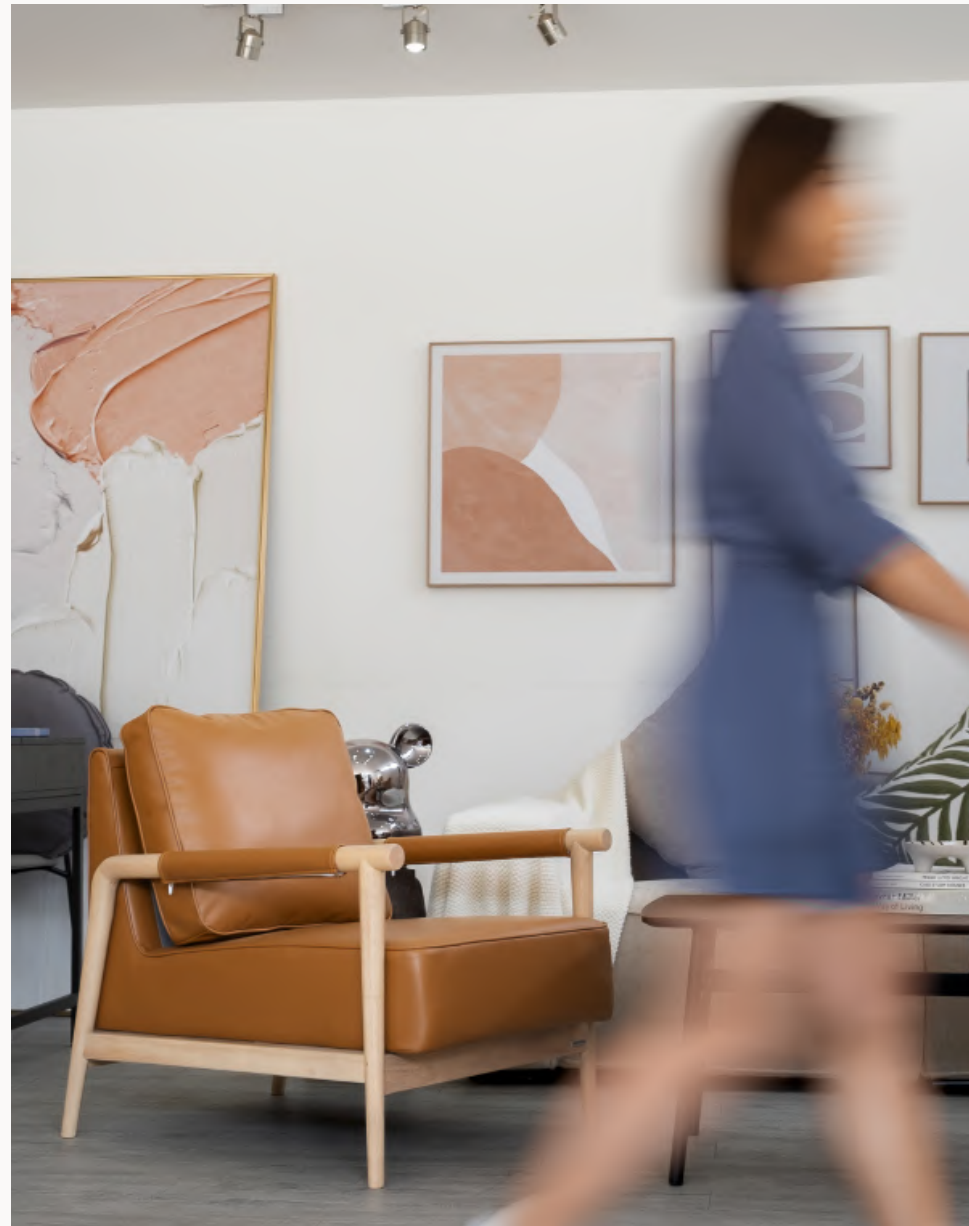

Our furniture is carefully curated to evoke joy, spark imagination, and create spaces that reflect the unique style and personality of our customers and enhance quality of life.

Delighting Customers

We are dedicated to delivering an exceptional customer experience. From personalized consultations and tailored solutions to seamless delivery,

Customization

We believe in offering personalized furniture options, tailored to individual preferences, to create spaces that truly reflect the needs of our customers.

Vision

Our aspiration is to make your furniture dreams come to life.

We aspire to become a trusted partner for homeowners and design professionals offering furniture solutions with a sourcing and all in one service.

By inspiring and transforming spaces, we empower individuals and communities to live their best lives in environments that encourages self-expression and authentically embody their distinct style and values.

Our Services

Sourcing

We offer extensive customization and sourcing options of limitless styles, allowing you to choose furniture to fit your exact specifications and design preference

Retail

Touch, feel and see the beautiful quality of our furniture pieces in our retail store.

All in One Service

- We walk you thru from start to finish,
- Sourcing the furniture pieces
 - Choosing materials and colors
 - Quality control
 - Assembly and delivery straight to your door

Why Us?

For your Vision

We take pride in offering **a wide range of furniture options** to suit various styles, preferences, and budgets.

You'll find everything you need to create your perfect space.

Direct Importer

We have full control over the quality, design, and pricing.

This direct relationship also enables us to quickly adapt to customer feedback, bringing you the latest trends and innovations in the furniture industry.

Sourcing

Step 1: Inspirations

- Provide us with your inspirations, dream furniture and styles
- We offer to you furniture pieces based on your preferences and wants

Step 2: Confirm Orders

- Confirmation on sizing and materials

Step 3: Assembly and Delivery

- We schedule delivery and assembly based on your timeline and location.

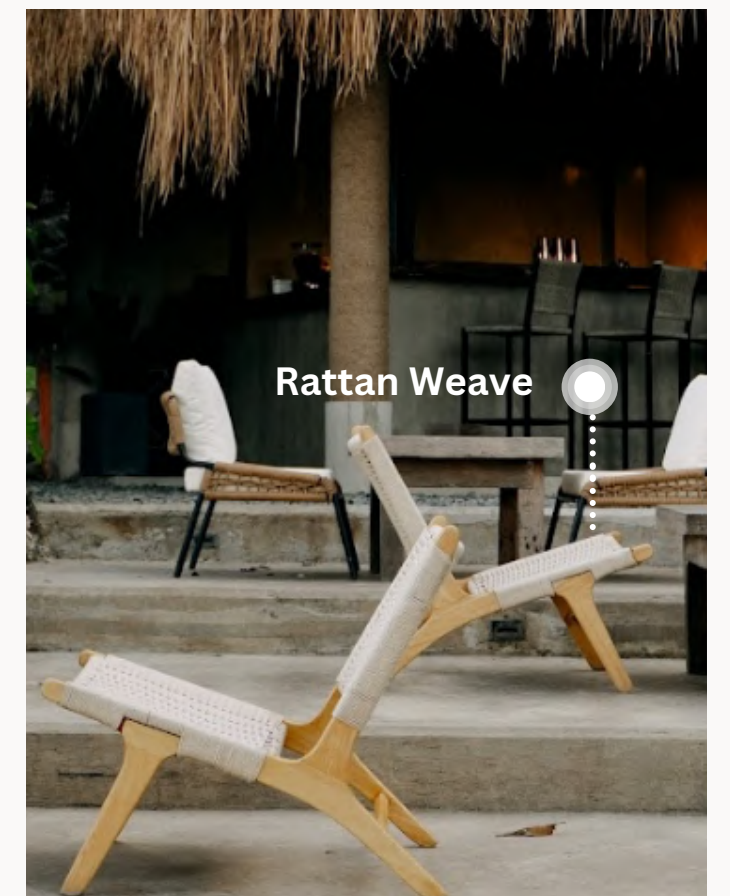

Contract Projects: Boost Digital Office

A space that is functional but also inspiring for their talented team

Contract Projects: Utopia

Dream: Outdoor Furniture that can't be found in the Philippines. We found furniture that perfectly complemented the owner's vision

Contract Projects: Pet Society

Furniture that fits perfectly into a pet friendly space.

Visit Our Store
