# A WORD FROM THE MANAGER

**The games come thick and fast at the start of a season and we're lucky to be at home again this evening after Saturday's exertions in the heat.**

We've had some interesting encounters with Blyth Spartans since I've been involved with Chorley. Obviously, we split the two games last season with both teams winning away from home. Our visitors' start to 2022/23 clearly hasn't been ideal, but we know the threats they carry and we'll have to be on it from the start again to produced the result that we want.

Considering the weather conditions, we performed very well on Saturday and were a little disappointed not to claim all three points after getting ourselves into a good position. Darlington offered us a good test of where we're at and a point was the least we deserved from the game.

It was very pleasing to see Connor get off the mark, too. I know how important it is as a striker to get amongst the goals early on in a season. Connor's pre-season record was excellent and he's going to be a very important part of our squad once more this year.

We were also delighted to be able to secure the

services of Matt Challoner at short notice after Henners picked up a knock at Telford. It's rare to be able to pick up a player of Chally's quality once a season has begun and I thought he came in and did really well against Darlington.

I've also been really pleased to get a number of our talented youngsters out on loan in the Northern Premier League & North West Counties League. It's so important for the development of young players that they experience senior football and through Chorley FC Youth and the Education Programme we're starting to see players making the step up.

As we saw last week, we're continuing to see more and more sponsors coming on board – the latest two very important stand sponsors in DP Cold Planing and Euxton Hospital & Buckshaw Hospital.

Thank you to both for the support – and thank you, the fans, for turning out in your numbers on Saturday. Long may that continue.

**Enjoy the game, Preece**

BLYTH SPARTANS 1  
DALE 50'

**THE Magpies fell to their second defeat of March as Blyth Spartans claimed the three points on a sunny but cold afternoon at the Chorley Group Victory Park Stadium.**

The visitors had the first real chance in the opening ten minutes, Angelo Capello somehow firing wide from inside the six yard box after being fed by a Dan Maguire cross.

The wind really began to play a part in the contest as the game progressed; both sides struggling to get a real foothold in the first half.

Chorley came out firing after the break but the visitors hit the front first, Spartans' legend Robbie Dale slotting past an oncoming Matt Urwin after an initial touch of fortune to slide the veteran through on the break.

The Magpies began to throw everything at Blyth as the clock ticked on; Connor Hall, Brad Holmes and Jacob Blyth all introduced into the fray but clear cut chances were few and far between.

Corey McKeown very nearly doubled Blyth's lead

into injury time after dribbling his way past Scott Leather and Andy Halls, but placed his effort just wide of Urwin's post.

Brad Holmes had the Magpies' last chance of the afternoon, firing the ball hard and forcing Alex Mitchell into a sharp save at his near post.

**Magpies:** Urwin, Halls, Leather (c), Baines, Whitehouse (Blyth, 85'), Calveley, Sampson, Tomlinson, Ustabaşı (Holmes, 76'), Shenton (Hall, 68'), Alli. **Subs not used:** Blakeman, Spencer-McDermott.

**Spartans:** Mitchell, Evans (Byrne, 79'), Buddle (c), Maguire, O'Donnell, Dale (Reid, 69'), McKeown, Deverdics, Lees, Almond, Cappello (Hickey, 84').

**Subs not used:** McNall, Barlow.

- Administrative burden removed
- A saving on energy costs
- Long-term price protection
- Revenue earning potential through the partnership
- Additional opportunities for obtaining sponsorship

*“GAS have been an invaluable help to the Club. We were really struggling to manage our energy renewal. And, without the partnership we would have struggled due to lack off footfall as a result of the current pandemic. However, the team at GAS has provided hope that we will be able to achieve commercial revenue this season.”*

### HALL 60'

**THE Magpies registered a first point of the season in a sweltering contest against Darlington at the Chorley Group Victory Park Stadium.**

The visitors started the better with veteran defender David Wheeler heading wide from a Jack Lambert corner before Jacob Hazel fizzed a long-range shot over the bar, both in the opening two minutes.

Wheeler then produced a moment of real quality at the other end to deny Adam Blakeman who had the goal at his mercy, only to have his shot headed off the line.

A drinks break for the hot weather came and went and the game continued to be played at a frantic pace, but the score line remained goalless at the break.

Chorley came out on the front-foot after the interval and were rewarded for their efforts on the hour mark. Connor Hall going clean through off a Will Tomlinson and beating Tommy Taylor at the second time of asking for his first tally of the season.

## DARLINGTON 1

### BECK 85'

Alun Armstrong's side then looked to get themselves back into the game, Hazel the first to knock on the door as he turned and shot just wide of Urwin's goal.

The Quakers eventually got back on terms with five minutes left. Mark Beck with a pearler of a shot, bending the ball into the corner past Urwin from Marcus Maddison's initial pass, securing a share of the spoils.

**Chorley:** Urwin, Wilson, Leather (c), Whitehouse, Calveley, Tomlinson (Nolan, 69'), Ustabaşı, Challoner, Shenton, Blakeman, Hall (Scarborough, 74'). **Subs not used:** Smith, Johnson, Schorah.

**Darlington:** Taylor, Lawlor, Hedley, Moke, Hazel, Mondal (Felix, 61'), Lambert, Beck (Sukar, 90'+4), Purver (Maddison, 74'), Griffiths, Wheeler (c). **Subs not used:** Hughes, Rivers.

# JOIN THE SUPPORTERS TRUST NOW

## WELCOME BACK – PART 2

### So for part two, please see the second part of the Chairman's statement from the Trust AGM...

We have worked on our plans for the future which leads me to onto my next bit.

### OUR EXISTING AIMS & OBJECTIVES ARE AS FOLLOWS

- To be the democratic and representative voice of the supporters of Chorley Football Club and to strengthen the bonds between Chorley Football Club and the communities which it serves;
- To achieve the greatest possible supporter and community and influence in the running and ownership of Chorley Football Club;
- To promote responsible and constructive community engagement by present and future members of the communities served by Chorley FC Supporters Trust and encourage Chorley Football Club to do the same;
- To operate democratically, fairly, sustainably, transparently and with financial responsibility and encourage Chorley Football Club to do the same;
- To be a positive, inclusive and representative organisation, open and accessible to all supporters of Chorley Football Club regardless of their age, income, ethnicity, gender, disability, sexuality or religious or moral belief.
- To encourage and support the efforts of the board of directors of Chorley Football Club in their efforts to promote awareness and interest in Chorley Football Club both throughout the community and within local businesses.

### Looking toward the Future... What do we want to be:

- Actively promote CFCST within the town of Chorley and its surrounding environs to increase name recognition and understanding of its values, current function and activities and future goals
- Use the above to increase Trust membership significantly
- Encourage members to consider joining the CFCST board

and become involved in the day-to-day running of the Trust decision-making process

- Encourage members to become actively involved as volunteers in Trust activities, initiatives and involvement in local events to promote CFCST
- Increase revenue streams by actively continuing and increasing current methods of raising income, such as quiz nights and race nights, and devising, implementing and maintaining new ideas and initiatives for successful fundraising.
- Increase awareness of our relationship with Chorley FC, in particular, the fact that CFCST is part-owner thereof, holding a 9.5% stake in the club, and has the right to two places on the club's board of directors
- Develop our relationship with Chorley FC in a manner which emphasises our active involvement in the management of the club
- Assist the club with funding for projects which are specifically for the benefit of supporters and the overall fan experience
- Work with Chorley FC to ensure that, where relevant, communications with fans and the general public via social media and mainstream media are coordinated, informative and positive. This can include joint statements, where appropriate. Further, we believe there are occasions when the Supporters Trust can act as an official 'mouthpiece' for both the football club and its supporters, ensuring that any negativity in that relationship is quickly addressed and dispelled.
- Work with Chorley FC Community Foundation to develop mutually beneficial activities and enterprises to benefit both organisations, Chorley FC and the local community. Again, not as familiar as you are with this. Should we make the additions you suggest?

**Hopefully you will help us develop and grow these plans in the next 12 months**
