# A WORD FROM THE MANAGER

**Welcome back to the Chorley Group Victory Park Stadium everyone, and the long run-in to Christmas with our first fixture of December – Curzon Ashton.**

We've enjoyed many a good battle with the Nash over the last few years and we expect nothing less today against Adam Lakeland and his side.

Early kick-offs aren't something we particularly have to deal with in the National League North but due to the circumstances surrounding the World Cup matches we've got one today. Thanks in advance for turning out a couple of hours earlier than usual to support us. It's very much appreciated.

And thank you to everyone who made the journey down to Banbury last weekend. We couldn't get the result we wanted but your support was great. Unfortunately, after a good display in the first half, we made things very difficult for ourselves in the second half.

We must improve on our travels if we're to get to where we want to be come the spring. December obviously gives us that chance with six league games offering the opportunity of 18 points. We have

to make sure we're on it once again at home this lunchtime and then try to carry through our home form on the road.

The games don't get any easier as we hit the road on three consecutive Tuesdays, travelling far and wide. The lads are up for the challenge and we'll be as prepared as we can be for what is a very tough, condensed run of games.

We've also got the exciting prospect of an FA Trophy tie at Notts County in a couple of weeks. A fantastic reward for our important win over Leek Town a couple of weeks ago and a match we hope many of our supporters will look forward to, as well.

That game won't be a distraction from the league, however. We're fully focused on our league schedule for the next couple of weeks and we hope you, the supporters, will be too.

So come out and back the lads today and throughout December. It'll make a huge difference to everyone involved with the football club.

## BANBURY 3

STEVENS 46', BABOS 82', RASULO 85'

**THE Magpies fell to defeat on the road against fellow playoff chasers Banbury United.**

The visitors bossed long spells of the first half, with Connor Hall testing Jack Harding early on, collecting a high through ball from Jon Ustabaşı before striking the chest of the onrushing Jack Harding in the Banbury goal.

Ustabaşı also went close with a wicked drive from range that just cleared the bar, before the home side's skipper Gio Rasulo tested Matt Urwin with a 25 yard free kick. Otherwise, it was an arms length type of opening 45 minutes.

Unfortunately, within 30 seconds of the restart Banbury were ahead. Jack Stevens swaying his way through the Chorley backline before planting his effort under Urwin.

The home side were now in command; Rasulo saw a free kick fly just over Urwin's bar and Alex Babos tested the goalie's reflexes after twisting into space down the right channel.

Then the task became even harder as Scott

## CHORLEY 0

Leather was dismissed for a second booking – the resulting Rasulo free kick brilliantly saved by Urwin.

There was nothing Urwin could do about Banbury's second, eight minutes from time. Henry Landers teeing up Babos to fire low into the corner from the edge of the box.

The third and final goal two minutes later from Rasulo, another low strikes from the edge of the penalty area, added insult to injury.

**Banbury:** Harding, Roberts, Brown, Smile, Williams, Rasulo (c), Stevens (Landers, 80'), Acquaye (Walsh, 89'), Hickman, Radcliffe, Babos (Dugmore, 86'). **Subs not used:** Reilly, Taylor.

**Chorley:** Urwin, Smith, Wilson, Leather (c), Whitehouse, Calveley, Sampson, Ustabaşı (Fenlon, 83'), Challoner, Shenton (Tomlinson, 73'), Hall (Johnson, 83'). **Subs not used:** Nolan, Owens.

## CHORLEY 1 SAMPSON 45+1'

**THE Magpies won an Isuzu FA Trophy tie for the first time since 2017, reaching the third round with a 1-0 win over Leek Town.**

Chorley nearly got off to a perfect start; Connor Hall firing an audacious volley against the bar from Callum Schorah's looped pass from the left.

Hall came mightily close again minutes later, this time his effort from inside the box cleared off the line following Will Tomlinson's pinpoint corner.

Both sides looked like going in level at the break but for a blistering 50-yard run from Justin Johnson to set up Jack Sampson for the opener – the latter tapping home a rebound after Johnson's initial effort was saved.

The Magpies continued to dominate into the second half and it took Leek 65 minutes to register their first shot of the game; Daniel Trickett-Smith's free kick well held by Matt Urwin.

To their credit, the visitors did look for a way back into the game late, with Urwin alert to repel a Lucas Baker shot. But they were no match for Andy

## LEEK TOWN 0

Preece's side on the day and Sampson's goal was enough to see the Magpies through to Monday's third round draw.

# BY THE ROVING MIKE A GRANDSTAND VIEW

BACK FOR THE 2022/23 SEASON

**We extend a very warm welcome to today's visitors Curzon Ashton for this National League North match, which like the majority of the rest of the programme has an early lunchtime kick-off.**

Curzon currently stand 16th in the table, five places below ourselves. Apart from last Saturday's 3-0 home win against bottom-of-the-league Telford, they have found three points hard to come by in the last couple of months but remain hard to beat. Games in which they feature tend to be low-scoring affairs, typically the recent one at Brackley where the hosts won by the only goal of the game in the closing minutes.

**CLOSE TO HOME WE ARE NOW ONE OF ONLY TWO TEAMS UNBEATEN AT HOME. KING'S LYNN ARE THE ONLY OTHER SIDE WITH A SIMILAR CLAIM.**

The stats for the Nash read F18 A16, suggesting that last Saturday's three-goals' spree was somewhat out of character. Clearly Curzon are very sound defensively, as was evidenced in the recent FA Cup battle against Cambridge United when they played 210 minutes over the two games without conceding a goal, only to lose lucklessly on penalties. That was a really fine effort against a League One side.

Closer to home we are now one of only two teams unbeaten at home. King's Lynn are the only other side with a similar claim, following Scarborough Athletic's home loss to much-improved Chester last Saturday. That said, an improvement to our away record would be most welcome; we have to go back to August for our last success (at Alfreton) which followed immediately after the tremendous 4-1 win at Boston. Since then we have drawn at

Peterborough Sports and lost five, including three on the bounce most recently. One thing's for sure, Andy and the players will be giving everything to end the sequence on our next trip to Hereford on Tuesday, ahead of four more difficult trips to close out 2022 at Blyth Spartans, Notts County, Buxton & AFC Fylde.

Looking at the table, early table-toppers King's Lynn now need to concentrate on restoring their advantage after their FA Cup adventure, if they are to overhaul leaders Brackley, who are looking solid once more after their early-season struggles. And look out for Fylde who have run into form and are mounting another title

challenge. Darlington too are a serious threat this term and are showing the required consistency.

At the bottom, the relegation battle is taking clearer shape. It's surprising to find Telford propping up the table, their only victory (1-0) coming on the opening day against...would you believe it, our own Magpies. Familiar faces from last season's basement include Blyth, Farsley Celtic and Bradford Park Avenue, with Kettering Town on the fringe. The Poppies' problems stem from a very poor away record – they have yet to win on the road.

Enjoy today's game – and don't forget to get right behind your team! Three points from any game in this tight league can have an immediate significant impact on league placings.

- To promote responsible and constructive community engagement by present and future members of the communities served by Chorley FC Supporters Trust and encourage Chorley Football Club to do the same;
- To operate democratically, fairly, sustainably, transparently and with financial responsibility and encourage Chorley Football Club to do the same;
- To be a positive, inclusive and representative organisation, open and accessible to all supporters of Chorley Football Club regardless of their age, income, ethnicity, gender, disability, sexuality or religious or moral belief.
- To encourage and support the efforts of the board of directors of Chorley Football Club in their efforts to promote awareness and interest in Chorley Football Club both throughout the community and within local businesses.

## LOOKING TOWARD THE FUTURE....

### WHAT DO WE WANT TO BE:

- Actively promote CFCST within the town of Chorley and its surrounding environs to increase name recognition and understanding of its values, current function and activities and future goals
- Use the above to increase Trust membership significantly
- Encourage members to consider joining the CFCST board and become involved in the day-to-day running of the Trust decision-making process

- Encourage members to become actively involved as volunteers in Trust activities, initiatives and involvement in local events to promote CFCST
- Increase revenue streams by actively continuing and increasing current methods of raising income, such as quiz nights and race nights, and devising, implementing and maintaining new ideas and initiatives for successful fundraising.
- Increase awareness of our relationship with Chorley FC, in particular, the fact that CFCST is part-owner thereof, holding a 9.5% stake in the club, and has the right to two places on the club's board of directors
- Develop our relationship with Chorley FC in a manner which emphasises our active involvement in the management of the club
- Assist the club with funding for projects which are specifically for the benefit of supporters and the overall fan experience
- Work with Chorley FC to ensure that, where relevant, communications with fans and the general public via social media and mainstream media are coordinated, informative and positive. This can include joint statements, where appropriate. Further, we believe there are occasions when the Supporters Trust can act as an official 'mouthpiece' for both the football club and its supporters, ensuring that any negativity in that relationship is quickly addressed and dispelled.
- Work with Chorley FC Community Foundation to develop mutually beneficial activities and enterprises to benefit both organisations, Chorley FC and the local community. Again, not as familiar as you are with this. Should we make the additions you suggest?
